

Independent Consultant for the Implementation of the Automatic Fare Collection System for Bus Rapid Transit System in Bangkok

Client: Krungthep Thanakom Co. Ltd.,
Bangkok Metropolitan Administration (BMA)

Period of Appointment: 2010

โครงการรถโดยสารด่วนพิเศษ BRT สายชองนนทบุรี - สะพานกรุงเทพ
(ชองนนทบุรี - ราชพฤกษ์)

AMP Consultants Ltd. was commissioned by Krungthep Thanakom Co. Ltd. to act as an independent consultant to supervise implementation of the AFC system for the BRT system. Key tasks included (i) investigation of the specifications of all related AFC hardware and software; (ii) supervision of implementation of the system; and (iii) certification of the efficiency and reliability of the system before the AFC was officially launched.
