

# Public-Private Partnership Advisory for Bangkok Transit System Extensions

**Client:** Bangkok Metropolitan Administration

**Period of Appointment:** 2010-2011

AMP Consultants Ltd. and AMP Development Ltd. were commissioned by BMA to assist in its project preparation process for the BTS Extensions (Taksin Bridge – Taksin Road, Taksin Road – Bang Wa, and On Nut – Baring), in accordance with the Royal Act on Private Participation in State Undertakings, B.E.2535.

Work included (i) revising the engineering, economics and environmental studies; (ii) investigating financial feasibility; (iii) assessing an appropriate PPP scheme; (iv) a value-for-money assessment; (v) preparation of draft Terms of Reference for the recommended PPP scheme and a draft contract; and (vi) continuing advice to BMA during its project procurement process.
